Bulletin No. 30

## FIXTURES FOR THE REMAINDER OF THE SEASON WHICH CONCLUDES ON THE 2<sup>ND</sup> MAY.

Last week Clubs were reminded that they must fulfil their obligations to the League in respect of all outstanding fixtures, any matches awaiting new dates were to be agreed by the 20<sup>th</sup> March, failure to do so would result in the League imposing a date on which they must be played. Clubs were also reminded that the League will not accept the reason of insufficient players to postpone a fixture as it is the responsibility of each club to ensure that they have sufficient players to fulfil the playing of a match.

Your full co-operation was expected in this matter but unfortunately this did not materialise so the League will now set new dates for any outstanding matches which must be adhered to.
